IN RE: Application of High End Corporate Coach d/b/a Myrtle Beach Trolley for a Class A
Certificate of Public Convenience and Necessity
Docket No. 2009-249-T

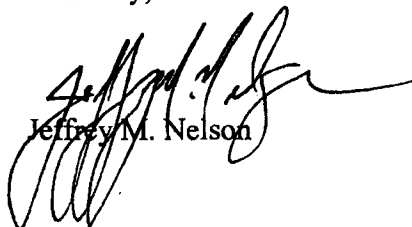

Dear Mr. Terreni:

In its Application for a Class A Certificate filed with the Public Service Commission ("Commission") on June 8, 2009, the Applicant High End Corporate Coach d/b/a Myrtle Beach Trolley ("Beach Trolley") had requested an expedited review of this application as well as a waiver of the notice requirements contained in Commission Regulation 103-132. In light of the type of requested certificate, as well as the seasonal nature of the business and services which the Applicant is requesting to provide in the Myrtle Beach area, ORS does not object to the Commission granting the Applicant's requested waivers.

ORS has no objection to the Commission placing this matter on the action agenda for the Commission's next agenda meeting.

If you have any questions or concerns regarding this matter, please contact me at your convenience.

Sincerely,

Jeffrey M. Nelson
